Just wanted you to know...Kellye Cannon told me last night when she turned on the radio Monday morning and heard the Turkey Shoot, she honestly had that moment of 'all is finally right in the world.'
Said she loved KTLO being a place of comfort in this crazy world.

This is Sandra Ketterer. I love listening to KTLO. My parents always listened when I was a child. I grew up mostly listening to Monte Manchester on 1240 AM. I went through all of his wives and romantic ups and downs! I love Jack the Car Guy. I sometimes win the trivia or Go For The Gold. The prizes usually have my name as "Kettering". It's just a little detail, but I thought you would want to know. Keep up the entertainment! I'm retired now and can spend more time listening.

Here's a joke for you:

If YouTube and Twitter and Facebook were to merge, what would it be called?
You Twit Face!

Anyway, you have a great day.
