Dra Elvia Contreras

Program: El Show de Erazno y Chokolata

Description:

Dra Elvia Contreras recommends regular checkups during this period of time, due to many allergies in the air. Annually around 4000 people die because they do not pay attention to the symptoms. Prevention and early treatment is key to control the allergies.

Tuesday December 2, 2019

Issue: Health

Dra Elvia Contreras

Program: El Show de Erazno y Chokolata

Description:

Dra Elvia Contreras explained women do not have a specific age to start menopause it can start as soon as 35 years old or 52. Menopause is more likely to have similarities in the age between family members, example if a mother started at the age of 40 years old her daughter would start around that age.

Tuesday December 3, 2019

Issue: Health

Dra Elvia Contreras

Program: El Show de Erazno y Chokolata

Description:

Dr Elvia Contreras explained testosterone can be dangerous to take if it is not prescribed by doctors. People buy testosterone in any nutritional store but are not aware of the side effects. When taking it for long periods, it can affect the liver and sexual performance. It can also lead to heart problems, always consult a physician before taking any medication.
